Text and Workbooks List and Materials Fee:

Below is the set of books and materials the school provides your child this year. We order a standard set of books because assignments will be given by page number and it is important that all students are working from the same editions. A student may reuse a social studies textbook* from an older student or sibling. The materials fee also covers the cost per student of the IXL online program. The materials fee is payable with the first tuition payment due August 1, or in the office during the first week of school. ***Total cost is \$315 without the social studies textbook and \$385 with the textbook.**

Provided as part of the materials fee:

"Wordly Wise" vocabulary books
Social Studies Textbook
Key Curriculum math Books
Literature books (3 titles for the year)
Current events/Science periodicals
Reminder Binder
SRA materials and reading logs
Spanish workbooks
Sketchbook
Spiral and quad notebooks
College ruled and graph paper
